

Play That Funky Music

(Wild Cherry)

Hey...do it now.... yeah hey
Yeah, once I was a boogie singer, playin' in a rock & roll band
I never had no problems, yeah, burnin' down the one night stands
And everything around me, yeah, got to start to feelin' so low
And I decided quickly (yes, I did) to disco down and check out the show

Yeah, they were dancin' and singin' and movin' to the groovin'
And just when it hit me somebody turned around and shouted
Play that funky music white boy, play that funky music right
Play that funky music white boy
Lay down that boogie and play that funky music till you die...
he,he, till you die...yeah, yeah

Well, I tried to understand this... yeah-he, I thought that they were out of their minds
How could I be so foolish, (how could I) tonight's the hours, the one behind
So still I kept on fightin'... woo....loosin' every step of the way (what'd you do?)
I said, "I must go back there" (got to go back) and check to see if things still the same

Yeah, they were dancin' and singin' and movin' to the groovin' ...
till you die...yeah, wow, till you die, come on... play some electrified funky music

Hey wait a minute
Now first it wasn't easy, changing rock & roll and minds
And things were getting shaky, yeah, I thought I'd have to leave it behind
Uh, but now it's so much better (it's so much better), I'm funkign out in every way
But I'll never lose that feeling (no I won't), of how I learned my lesson that day

Yeah, they were dancin' and singin' and movin' to the groovin' ...
till you die...yeah, oh till you die...yeah

(They shouted, play that funky music) Play that funky music
(Play that funky music) Got to keep on play that funky music
(Play that funky music) Play that funky music
(Play that funky music) Wanna take ya higha now...

Play that funky music white boy, play that funky music right, yeah
Play that funky music white boy, play that funky music right...
