

## **Waitin' On A Sunny Day**

(Bruce Springsteen)

It's raining, but there ain't a cloud in the sky  
Must have been a tear from your eye, everything will be okay  
It's funny, I thought I felt a sweet summer breeze  
Must've been you sighing so deep, don't worry, we're gonna find a way

***I'm waitin', waitin' on a sunny day***

***Gonna chase the clouds away, yeah, I'm waitin' on a sunny day***

(+ 1 Takt Drum)

Without you, I'm working with the rain falling down  
I'm half a party in a one dog town, I need you to chase these blues away  
Without you, I'm a drummer, girl, that can't keep a beat (*great snare-drum*)  
Ice cream truck on a deserted street, I hope that you're coming to stay

***I'm waitin', waitin' on a sunny day***

***Gonna chase the clouds away, waitin' on a sunny day*** (1. Solo)

Hard times, baby, well, they come to us all  
Sure as the ticking of the clock on the wall  
Sure as the turning of the night into day  
Your smile, girl, brings the morning light to my eyes  
Lifts away the blues when I rise, I hope that you're coming to stay

***'Cause I'm waitin', waitin' on a sunny day***

***Gonna chase the clouds away, waitin' on a sunny day*** hey (2. Solo)
