

# No Woman, No Cry

(Bob Marley)

**No woman, no cry,    no woman, no cry  
No woman, no cry,    no woman, no cry**

Said, said, said I remember when we used to sit  
In the government yard in Trenchtown  
Oba, oba-serving the hypocrites  
As they would mingle with the good people we meet  
Good friends we have, oh good friends we've lost along the way  
In this bright future you can't forget your past  
So dry your tears I say and

**No woman, no cry,    no woman, no cry  
No woman, no cry,    no woman, no cry  
*Oh little darling, don't she'd no tears, no woman, no cry***

Said, said, said I remember when we used to sit  
In the government yard in Trenchtown  
And then Georgie would make the fire light as it was  
Log wood burnin' through the night  
Then we would cook corn meal porridge of which I'll share with you  
My feet is my only carriage, so I've got to push on through  
But while I'm gone...

## *Everything's gonna be alright (9x)*

**No woman, no cry,    no woman, no cry  
No woman, no cry,    no woman, no cry  
*Oh my little darling, don't she'd no tears, no woman, no cry***
